MEMORANDUM FOR RECORD

SUBJECT: Letter of Recommendation for Ruth Waldstein

1. To whom it may concern, I feel very privileged to write this Letter of Recommendation on behalf of Ruth Waldstein. On 5 November 2013, Ms. Waldstein instructed HHD, 205th MI BN during a Zumba class at Fort Shafter gym.

2. She was motivated, engaging, and very professional. These attributes ensured an intense, challenging, but more importantly, successful training event. Going beyond that, she analyzed the special characteristics of our unit personnel and designed the class perfectly suited for our group. This is not something we expect from the ordinary instructors. We were absolutely impressed with every moment of her instruction and she fulfilled our expectations to get a good training as well as fun. I would have Ms. Waldstein come back any time to give another block of instruction to my organization as it will truly boost the morale of Soldiers and enhance the overall fitness of our unit.
